

# GROWING

Giving Gardens currently grows at the Giving Farm, and supports various satellite and affiliate gardens across Portage County.

A core value of Giving Gardens is to grow using organic and sustainable practices. By doing this, we ensure both the quality of our produce and the longevity of our growing spaces.

# GLEANNING

From June to October, Giving Gardens conducts weekly "gleans" at the Summer Farmers Market in downtown Stevens Point. With the help of volunteers, additional produce is collected from farmers at the end of market and delivered to food distribution centers.

# GIVING

All produce that is grown and gleaned is donated to local food distribution centers in order to increase food security and provide healthy meal options for economically disadvantaged citizens of Portage County.

# HOW YOU CAN HELP

## VOLUNTEER

If you'd like to join us at the Giving Farm, at market for a glean, or want to stay in the loop about other volunteering opportunities, you can reach out to us at: [givinggardenswi@gmail.com](mailto:givinggardenswi@gmail.com)

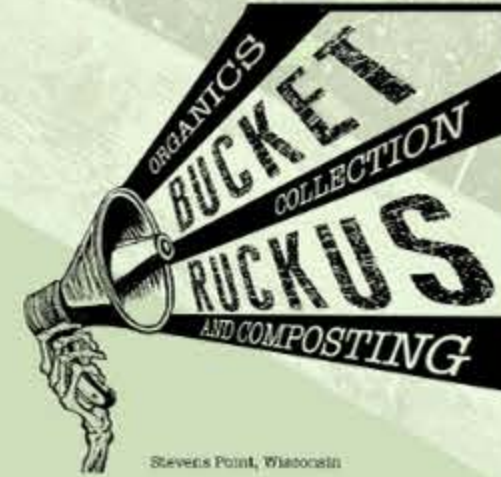

## DONATE

Donations can be made online, through the PartnersHP website. All checks must be made out to PartnersHP, with "Giving Gardens" in the Memo Line.
